

Accepted Electronics (E-WASTE)

Computers and Peripherals:

- Computer PC's
- Monitors (Flat Panel and CRT)
- Computer mice
- Cables
- Hard drives
- Power supplies
- Keyboards
- Network devices
- Video Cards
- Circuit boards
- Speakers

Mobile Devices:

- Laptops & Notebooks
- Cell Phones
- Tablets
- MP3 Players

Test & Measurement:

- Meters
- Analyzers
- Probes
- Scopes

Telecommunications:

- Video & Audio Equipment
- Phone Systems

Data Center Equipment:

- Servers & Mainframe
- Storage Arrays
- Power Distribution Units
- Routers & Switches
- Server Racks

Office Equipment:

- Printers & Plotters
- Projectors
- Security Surveillance
- Copiers & Multi-Function Devices

Home Entertainment:

- Televisions
- Stereo equipment
- Media players
- Cameras
- Cable set top boxes
- Gaming consoles

Laboratory and Medical:

- Microscopes
- Spectrometers
- Centrifuge
- Analyzers
- Balances
- Ultrasound

Electrical:

- Circuit Breakers
- Switches
- Transformers

Manufacturing Equipment:

- Semiconductor
- Wafer
- Laser
- Robotics

Electronic Components:

- Processors
- Memory
- Capacitors
- Connectors

Accepted Corporate Non-Electronics Waste

* We No Longer Accept Non-Electronic Waste for Residential Drop Off

- | | | | |
|-----------|----------------|-------------|----------------------|
| Plastics | HVAC | VHS Tapes | Conveyors |
| Glass | Work Benches | Pallets | Silicon Wafers |
| Styrofoam | Cabinets | Shelving | Vacuum Cleaners |
| Furniture | Motors | Compressors | Crates |
| Wood | Pumps | Appliances | Engines |
| Paper | CD & DVD Media | Textiles | Metals - Ferrous |
| Cardboard | Software | Rubber | Metals - Non-Ferrous |

Accepted Corporate Hazardous Waste

* We No Longer Accept Hazardous Waste for Residential Drop Off

Batteries:

- Alkaline
- Lead Acid
- Lithium Ion

Lighting:

- Fluorescent Lamps
- Light bulbs
- Ballasts

Copier / Printer:

- Toner
- Ink Cartridge's
- Fuser & Imager

Terms and Conditions

- Unsure? Contact your account representative with any questions.
- Electronic scrap should be stretch wrapped on a pallet or placed in rolling bins.
- The preceding list above provides a general overview of the types of equipment we accept.

Unauthorized Waste

If any unauthorized waste is received at one of our DG Global facilities, our Environmental Health and Safety Officers will document the date, shipment number and customer facility. Fees range from \$10.00 and up per item. At the end of every month, DG Global will invoice our customers for any unauthorized waste we received. Customers also have the option to come pick up their waste.

Adhesives
 Aerosol Cans
 Asbestos
 Automotive Fluids
 Biohazardous Waste
 Carbon Monoxide Detectors
 Chemicals

Concrete
 Construction Debris
 Controlled Substance Waste
 Explosives
 Gas & Fuel
 Mercury Thermometer
 Needles / Sharps

Oils
 Paints & Solvents
 Pesticides
 Pharmaceutical Waste
 Pressurized Canisters
 Radioactive Material
 Soil / Dirt
